Welcome to the Cold Mountain Lodge Newsletter!

In May, temperatures in Florida hover around 90°. On Cold Mountain in North Carolina, it's 50° in the mornings and in the 70s each afternoon! In this issue, we update you on the latest at Cold Mountain Lodge.

WHAT'S NEW AT THE LODGE

Summer is almost here on Cold Mountain! Everything is green, the flowers are popping up, and the tomatoes have been planted.

The property has been cleared of smaller trees and brush and now there is a thriving green undergrowth between Panther Branch Creek and the Little East Fork River!

The deck has been updated with repairs, fresh paint, and a new fire pit for your enjoyment. We also have plenty of firewood stocked for your next visit.

A beautiful rustic safety fence has been installed in the parking area.

*We offer special pricing for
return customers such as you.
